

Welcome to Emma

Freshers' Induction Programme
October 2011

Foreword by the Senior Tutor

This Induction Programme will welcome you to Emma and make you feel at home as quickly as possible. Your primary purpose here is to gain an education, you might be forgiven for losing sight of that in the welter of social activities that are on offer but, come Thursday morning, your working life will begin in earnest and you should try to be fresh and alert and ready to begin well.

We hope you will enjoy the first few days here and lay good foundations for your future study.

Some of the activities in the programme are compulsory; they are shaded in pink. Other activities are not compulsory, although you may wish to attend them.

Events organised by Emmanuel College Students' Union (ECSU) are shaded in blue.
